

Toggle Clip

Product Description:

Insul-Global Toggle Clip is mainly used for thermal insulation industry for thermal insulation boxes etc. It is manufactured from T-304, 316/L series stainless steel conforming to ASTM A-240 standards. It can be characterized by a curved U-ring allowing for a high tolerance installation. It also prevents the toggle to open under vibration once installed.

Application:

They are used as an alternative to the more permanent fixing of stainless steel wing seals so are often used for areas that may need access.

<u>Mechanical Properties</u>					
Stainless Steel Grade T-304,- ASTM A-240					
Grade	Ultimate Tensile Strength (MPa) min	Yield Strength 0.2% Proof (MPa) min	Elongation (% on 50 mm) min	Hardness	
				Rockwell B (HR B) max	Brinell (HB) max
304	540	230	45	92	201

Availability:

Length mm (in)
38 (1.5")
50 (2")

Other sizes & packing are available upon request

Packing:

Packed in 250 No's per carton
